**CARTAR** LIFT & MOVE  
mobile hoist technology

## "RAMPS"

***your car is TOO low for the  
Cartar FL Mobile.....***

***no problem,***

***simply use the Cartar Ramps.***

- 1/ Place one Cartar Ramp forward of each of the 4 wheels.***
- 2/ Drive car onto the Cartar Ramps.***
- 3/ With Car now 50mm higher, your Cartar FL will easily roll into place.***
